

Introducing EconoRoute

By iApotheca Healthcare

You'll love the EconoRoute™ Instant Routing System.

Our complex, physics-based routing formula gets you where you're going fast.

No more zigzagging back and forth across the city in heavy traffic.

And our driver portal is so simple, anyone can use it.

Build Your Delivery Service Fast with EconoRoute™

Take Payment at the Door with Square

Your patients will love the convenience of paying at the door with our Square integration.

Square also offers simple financial reporting.

So easy to use, and you'll get paid as early as the next day!

We Make Starting Your Prescription Delivery Service Easy

Quick & Easy Setup

Set up your account in just four easy steps- you'll be ready to deliver in minutes!

Real-Time Tracking

Track your drivers and packages in real time with our easy-to-use dashboard.

**With EconoRoute™ you can also:
Manage Multiple Teams**

Add multiple teams in seconds and switch back and forth with one click for easy monitoring.

Maximize Your Runs

Now you can add over 100 orders to every run. EconoRoute™ stays fast and accurate.

Track Undeliverables

Nobody home? EconoRoute™ will remind you to reschedule or return the item to inventory.

You'll Love Our EconoRoute™ Instant Routing & Optimization

Auto-route from anywhere at the click of a button. No more manual planning.

Get instant savings on time, labour and fuel costs.

And the EconoRoute™ Paperless Audit Trail Makes Life Easy

Our built-in audit trail lets you keep detailed records in a handy paperless format.
